Asociación Española de Recuperadores  
de Economía Social y Solidaria

# The preparation for reuse of WEEE in Spain

*for a Social, Solidarity  
and Ecological Economy*

# Who we are

- AERESS was founded in 1994 as a **National Waste Recovery and Recycling platform with a social aim, whose organizations share same objectives** :
  - They carry out **waste management activities**, giving priority to preparation for re-use, as a way to do **social and labour inclusion of people at risk**
  - They work under the **Social and Solidarity Economy principals**
  - All of them are **non profit**
- **It represents 40 organizations in 14 regions**
- Working on **political incidence**, focus on **social employment**

# CENTROS DE PREPARACIÓN PARA LA REUTILIZACIÓN DE LA RED

# Thank you very much!
